

## You Are Cordially Invited:

Please join in on **Wednesday, November 20 from 1:00-2:00** to participate in a Regional Employer Focus Group discussing barriers for employees around childcare, transportation, and affordable housing. The meeting will be held on Zoom.

NEPA Thrives is an initiative within the Community Impact Division of Scranton Area Community Foundation seeking to address workforce needs throughout Northeast Pennsylvania through convening stakeholders from state and local government, non profit organizations, civic entities, local businesses and industry.

We are seeking your input on what challenges your employees face and what innovative solutions you have implemented or would like to implement moving forward. Please register on the following link: Register in advance for this meeting:
