155-13 Duty to make application and payment without notice

It shall be the duty and obligation of all owners and operators of businesses or business activities mentioned in 155-5 to make application to the Code Enforcement Officer or Code Enforcement Clerk to pay the license and permit fees provided in Chapter 24, Fees, within the time therein provided for such payment, without the necessity or requirement of any notice. Allegation of no notice or knowledge of this chapter shall not be accepted as a defense in the prosecution for any violation of this chapter.
